INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of MountainHeart Community Services, Inc. Oceana, West Virginia

Report on the Financial Statements

We have audited the accompanying financial statements of MountainHeart Community Services, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2013, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of MountainHeart Community Services, Inc. as of December 31, 2013, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 24, 2014, on our consideration of MountainHeart Community Services, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering MountainHeart Community Services, Inc.'s internal control over financial reporting and compliance.

Buckhannon, West Virginia September 24, 2014

Note 1. Summary of Significant Accounting Principles

Nature of Activities

Mountain Heart Community Services, Inc. (formerly known as Wyoming County Opportunity Council, Inc.) is a non-profit community action agency which provides services to low income individuals, families and the elderly in Wyoming County, West Virginia. The Agency's headquarters is located in Oceana, West Virginia. Mountain Heart Community Services, Inc. also operates a number of Head Start Centers throughout Wyoming County. In addition, MountainHeart Community Services, Inc. has contracted with the West Virginia Department of Health and Human Resources to provide a resource and referral service to parents who need child care, technical assistance to providers of child care and brokering of state assisted payments to child care providers for Region V and VI of the State of West Virginia. The Organization is funded primarily through grants and other agreements with the federal and state government.

Basis of Accounting

The financial statements of Mountain Heart Community Services, Inc. have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board. The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, the Organization considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

Property and Equipment

Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation if computed using primarily the straight-line method. In addition, all property and equipment purchased with grant monies must be used and disposed of in accordance with the grantor agency's policies. Maintenance and repairs are expensed as incurred.

Materials and Supplies Inventory

Materials and supplies inventory are recorded at the lower of cost or estimated fair market value on a first-in first-out basis.

Note 1. Summary of Significant Accounting Principles (Continued)

Donated Facilities

The Organization has been donated either land and/or the buildings for several of their Head Start sites. The lease payments for the use of these facilities is often below market value; thus the Organization recognized this difference as inkind donations.

Donated Materials

Donations for materials and supplies are valued at their estimated fair market value as determined by the donor and the Organization and recorded as inkind contributions and related expenses.

Cost Allocation

The Organization has adopted a cost allocation plan whereby each program is charged its fair share of the general administration costs of the Agency as a direct charge. Salaries, wages and fringe benefits are allocated to the programs based on a time study performed by the Agency. Supplies, postage, printing, utilities, telephone, insurance, travel, contractual, building maintenance, equipment and vehicle expenses are allocated to the programs based on square footage of building space used by the programs.

Restricted and Unrestricted Revenue and Support

Contributions received are recorded as unrestricted, temporarily restricted or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending n the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets released from restriction. Federal grant awards are classified as refundable advances until expended for the purpose of the grants since they are conditional promises to give.

Income Taxes

Mountain Heart Community Services, Inc. is exempt from income taxes under Section 501(c) (3) of the Internal Revenue Code.

The Organization's Forms 990, Return of Organization Exempt from Income Tax, are generally subject to examination by the Internal Revenue Service for three years after they are filed

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Note 2. Property and Equipment

Property and equipment consisted of the following at December 31, 2013:

Land	\$ 210,100
Buildings and improvements	2,393,052
Vehicles	1,252,424
Equipment, furniture and fixtures	581,710
	4,437,286
Accumulated depreciation	2,169,719
Net property and equipment	\$ 2,267,567
Hot property and equipment	Ψ 2,207,307 ========

Note 3. Restrictions on Net Assets

There are no restricted net assets at December 31, 2013.

Note 4. Revolving Line of Credit

The Organization has a \$ 100,000 revolving line of credit, of which \$ -0- was drawn down and outstanding as of December 31, 2013. Bank advances on the credit line are payable upon demand and carry an interest rate of prime. The credit line is unsecured.

Note 5. Long-Term Debt

Long-term debt at December 31, 2013 consisted of the following:

United Bank, 3.15% note due December payments of principal and interest of \$1 real estate.	·	\$ 264,296
USDA, 3.375% note due June, 2035, more payments of principal and interest of \$ 1 secured by real estate.		192,075
	Total	 456,371
	Less current portion	17,993
	Non-current portion	\$ 438,378

Note 5. Long-Term Debt (Continued)

The following schedule represents the maturities as of December 31, 2013

18,582
19,189
19,817
20,465
342,332
438,378

Note 6. Operating Leases

The Organization leases certain buildings under long-term leases for its Head Start classrooms and Day Care office space. These leases are operating leases, ranging from five to fifteen years with renewal options at the end of the lease terms.

The following is a schedule by years of future minimum rental payments required under the operating leases as of December 31, 2013:

Year Ending December 31	Amount
w	~~**
2014	\$ 164,156
2015	124,135
2016	116,935
2017	109,735
2018	107,935
Total	\$ 622,896

The rental expense amounted to approximately \$ 311,533 for the fiscal year ended December 31, 2013, which is reflected in the space costs line item of the statement of functional expenses within the various program services based of the respective program's use.

Note 7. Donated Services

The value of donated services included in the financial statements and the corresponding expenses for the year ended December 31, 2013, is as follows:

Volunteer labor	\$ 2,703,007
Other	1,018
Total donated services	\$ 2,704,025

All of these donated services were used under the Head Start program.

Note 8. Profit-Sharing

The Organization has a profit-sharing plan that covers all employees not covered by a collective bargaining agreement with a least one year of service who have attained the age of twenty-one years at the plan's anniversary date. Contributions to the Plan are at the discretion of the Board of Directors. During the year ended December 31, 2013, contributions to the Plan charged to operations were \$ 419,680.

Note 9. Subsequent Events

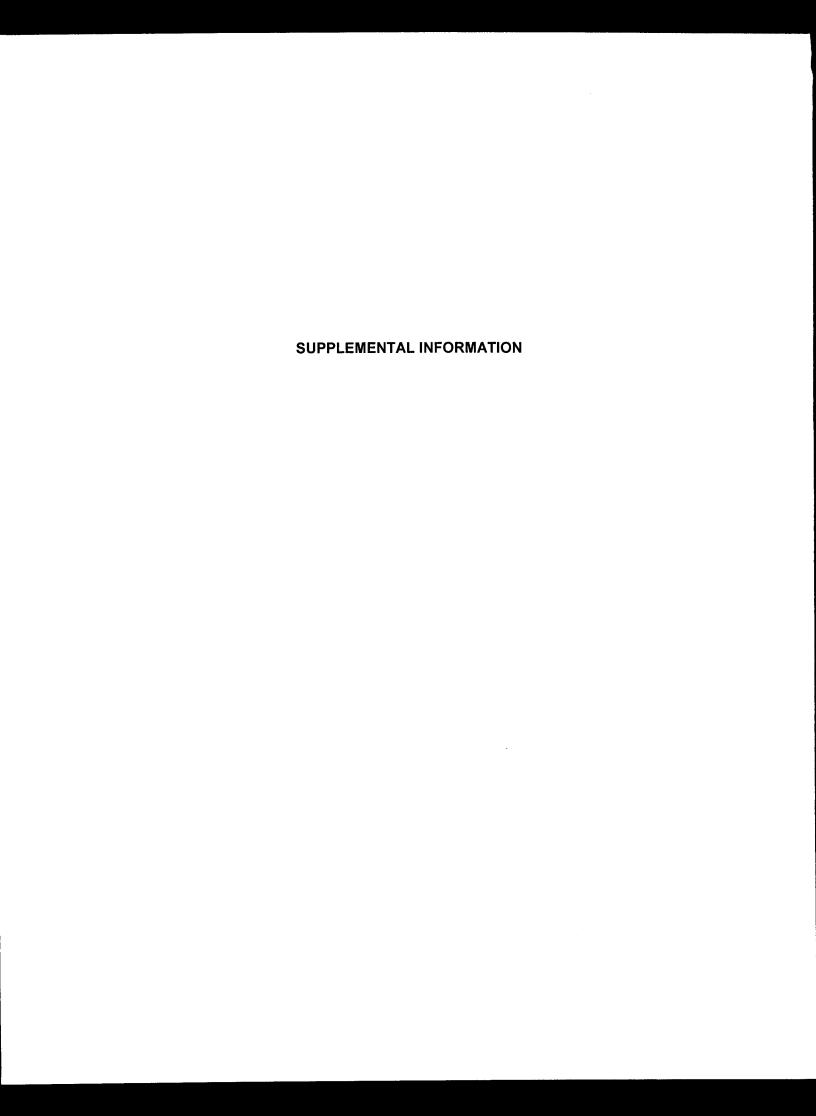

Management has evaluated subsequent events through September 24, 2014, the date which the financial statements were available to be issued.

INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTAL INFORMATION

To the Board of Directors MountainHeart Community Services, Inc. Oceana, West Virginia

Our report on our audit of the basic financial statements of the MountainHeart Community Services, Inc. for the year ended December 31, 2013 appears on pages 1 and 2. We conducted our audit in accordance with auditing standards generally accepted in the United State of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States for the purpose of forming an opinion on the basic financial statements taken as a whole. The schedule of Budget vs. Actual – CSBG and Schedule of Expenditures of State Awards are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE AND INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Trustees of MountainHeart Community Services, Inc. Oceana, West Virginia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of MountainHeart Community Services, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2013, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 24, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered MountainHeart Community Services, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of MountainHeart Community Services, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

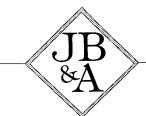

As part of obtaining reasonable assurance about whether MountainHeart Community Services, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY OMB CIRCULAR A-133

To the Board of Directors MountainHeart Community Services, Inc. Oceana, West Virginia

Report on Compliance for Each Major Federal Program

We have audited MountainHeart Community Services, Inc.'s compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of MountainHeart Community Services, Inc.'s major federal programs for the year ended December 31, 2013. MountainHeart Community Services, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of MountainHeart Community Services, Inc.'s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about MountainHeart Community Services, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of MountainHeart Community Services, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, MountainHeart Community Services, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2013.

Report on Internal Control Over Compliance

Management of MountainHeart Community Services, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered MountainHeart Community Services, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of MountainHeart Community Services, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose
